Dear Judy,

Thank you for your recent in-kind pledge of \$2,200.00 to the Boys & Girls Club's 1992 Century Club Drive.

I want to share a brief update on one of our youth members. Several years ago Tom came to the Boys & Girls Club with some serious problems. In the mid 1980's he watched his mother take her own life. He responded by withdrawing from everyone.

As the years went by he lost any self-esteem he had and became very overweight. He feared to take any chances that might be thought to be a failure.

The last few years has seen remarkable changes for Tom.

Thank you!!! Thank you!!!

. . . . your generosity made the Chamber's first ever auction a tremendous success. We were able to put about \$6000 in the bank because you and 79 other great members contributed to the cause.

( The money will be used to continue the necessary work of the Chamber . . . working to increase economic activity and reduce regulations and costs that affect the free enterprise system.

Again, on behalf of the Auction Committee and the Board of Directors, thank you very much.

Cordially,

Dear Judy:

It is my pleasure to extend my sincere gratitude to you for supporting our youth programs in the past through the Youth Donors Drive.

Your gift had a direct effect on providing programs that reached 14,201 different boys and girls in 70 on-going youth activities in 1991. Our YMCA does not deny any youth a membership in the "Y" because of an inability to pay. Our scholarship program for youth reaches hundreds of boys and girls each year.

A brochure is enclosed to explain the purpose of the Youth Donors Drive. Won't you once again join us and become a Youth Donor for 1992? I will be calling you soon and invite any questions you might have.

Sincerely,

Just a short letter to say THANK YOU THANKYOU THANK YOU!!!!

And, you say for what.....For leaving the Home Shopping Club (Network 2) on for the additional hour (8:00 - 9:00 am) for the "Clothing Clearance" show. (SUNDAYS)

I had been planning to write before and ask that the church program be eliminated at 8:00 am on SUNDAY, so that the true HSN shoppers could get an additional hour of super buys.

I do not have cable TV and watch you strictly on the UHF Channel 22.

Also, while I'm writing this letter, I might as well inquire about the time you are shut down for maintenance....That also falls on a day when HSN has a "CLOTHING CLEARANCE" show at 3:00-6:00 am on FRIDAY morning. Is there any chance that your shut-downs could be re-arranged so as not to fall on the times of the "CLEARANCE" shows, inasmuch as they are definitely set at specific times. The other specialty shows (such as jewelry, electronics, bedding, dining, etc.) all fall at different times and they are moved to different time slots.....but the Clothing shows are all set at particular times and they don't adjust them.

Thank you again for the SUNDAY morning program. Hope you will be able to do something about the Friday morning "Clothing Clearance" show.

Very truly yours,

M A Williams

Dear Mr. Robinson:

This is a brief note to thank you for the support your station has provided to Childreach over the past year by airing our public service announcements.

Your generous support has provided a helping hand to thousands of children all over the world by linking them with your viewers. It has helped us provide these children and their families with badly needed services, ranging from the construction of health clinics to vocational skills training, so they can become self-sufficient.

In the next two weeks, you'll be receiving our latest TV PSA entitled: "What it Means." It describes how basic materials such as sewing machines, clean water and books - all materials that are supplied by Childreach funds - impact the lives of children and families living in poverty.

We are enclosing a recent article from BLACK ENTERPRISE magazine entitled: "Joy Greendidge: A PLAN For the World's Children" that you may find interesting. It is the story of one of our field

Dear Mr. Robinson:

Thank you for recently returning the reply card for the nonprofit  
Medic Alert Foundation's newest PSA, *Pharmacist*. We appreciate  
knowing that you are airing this lifesaving announcement for your viewers.

Prescription medicines save lives but can dangerously interact  
with drugs used during medical emergencies. Emergency responders must  
immediately know the patient's medications and medical history in order to  
prevent drug interactions that can seriously complicate treatment.  
Unfortunately, patients in medical emergencies are often unable to communicate  
their special needs. Medic Alert speaks for them and helps to prevent  
emergencies from becoming tragedies.

With the generous help of PSA Directors nationwide, thousands

of people have enrolled in Medic Alert as a result of announcements of our PSA.
